STREET DISTILLE S. N. PIKE'S CELEBRATED Magnolia Whiskey

COUNTERFEIT: CAUTION TO PARTIES PURCHASING S. N. PIKE'S Magnolia Whisky,

CINCINNATI, OHIO. THE UNDERSIGNED, manufacturer and sole proprietor of the above brand of WHISKY, would respectfully inform his customers and purchasers of this celebrated brand, that there has appeared in chasers of this celebrated brand, that there has appeared in the Charleston and other Southern markets a counterfet of the above Whisky, being a poisonous imitation, brande's similar to his brand; it passes under the name of S. N. Dike's Magnelia Whisky, Cincinnati, Ohio, and other names simi-lar to S. N. Pike. As there is no party in this city of the name of S. N. Dike, it is intended to impose and deceive those who would purchase the genuine brand. I make this statement to put parties on their guard, as there are several necessors in the cast and west making an initiation, and sixtement to put parties on their guard, as there are several persons in the east and west making an initiation, and using my name with a slight alteration. I have analyzed several samples of this counterfeit brand, and found that it contains a deadly poison; this fact alone impels me to caution the public, protect those who are liable to be lecaived, and prevent the evil results attending the use of this poisonous imitation. I also hereby caution the counterfeiters of my brand that I will prosecute them to the full extent of the law. The genuine S. N. Pike's Magnolia Whisky is distilled from the best qualitities of Rye and Corn, and is warranted free from any deleterious or obnoxious compound, it being a pure and healthy beverage.

Many parties have recently commenced making a brand of Whisky Called Magnolia, but they are an immitation of my trade brand, so be careful at d get the only genuine Magnolia Whisky made in the United States, and distilled only by me.

A RETIRED PHYSICIAN. Whose sands of life have nearly run out, discovered while in the East Indies, a certain cure for Concumption, Asthma, Bronch tis, Coughs, Colds, and General Schilley. He had heard much of the wonderful restorative and healing qualities of preparations made from the East India Hemp, qualities of preparations made from the East India Hemp, and the thought occurred to him that he might make a remedy for his child. Facts coming under my own observation, with reference to the efficacy of your Dysentery ryrup in the diseases, have been confirmed by the testimony of my associates on the committee, and particularly by Alderman De Ferest, of the First Ward. So strongly was I impressed with the value of your preparation, I caused it to be sent to the Quarantine, where the Choirea then existed and it is not a little remarkable that but a single case was reported afterwards.

The Children's Pannacea is well known to be most efficacious in all disorders of children from one to five years oid. Why should two-thirds of all the children born die before they are five years old, if it were not that the Vermifuges and all the other powerful medicines administered to them were not most injurious. Teething and other diseases of the second summer cause but little apprehendion where this is used. The Dysentery Syrup and Children's Panacea are worth more than words can express.
